

SAVE THE DATES!

Funding Nature Based Community Resilience in Southeastern Massachusetts

Is your community having trouble navigating
all the funding opportunities out there?

Us too.

Learn about climate resilience and
infrastructure grant funding in this 2-part
workshop series, and see which program
may be the best fit for you.

Participating funders:

SNEP Watershed Grants
Municipal Vulnerability
Preparedness Program

Division of Ecological
Restoration

Buzzards Bay National
Estuary Program

MassDEP

National Fish & Wildlife
Foundation

MA Office of Coastal
Zone Management

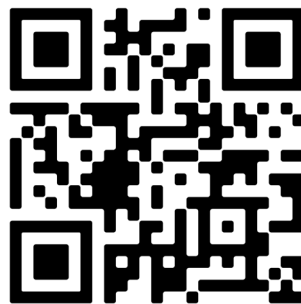

...and more!

**NARRAGANSETT BAY
ESTUARY PROGRAM**
